## AUDITOR'S REPORT TO COMPTROLLER

HON. J. M. LEE, Comptroller.

Dear Sir:

We hand you herewith annual report showing the financial transactions of the State of Florida for the Fiscal year ended June 30, 1939, with comparison figures for prior year, as is reflected by the records of the Comptroller's Office and reconciled with the records of the Treasurer's office.

We, the undersigned, hereby certify that Exhibits No. 1, A, B, and C, supported by Schedules 1 to 16, inclusive, together with the Abstract of Accounts, correctly set out the balances, receipts and disbursements of the several funds of the State of Florida for the period indicated.

It will be noted that Regular Receipts for all funds total the sum of \$61,808,214.21, while trust funds (including contributions for Unemployment required to be transmitted to the U.S. Treasurer) amount to \$6,381,251.80 and Counterbalancing, Offsets, and Allocations amount to \$6,791,024.90 make a grand total of \$74,980,490.91. Exhibit No. 1 shows balances, receipts, and disbursements for General Revenue and Miscellaneous Funds separately, with increases over the figures for preceding year. Increases to General Revenue consist mainly of the collection of Estate Taxes in the sum of \$4,059,400.00, which amount was cleared through the Estate Tax Escrow Fund of Miscellaneous Revenue. Other increases are set out in footnote.

Exhibit A shows disbursements classified by functions in comparison with preceding year and also amount of participation from General Revenue and Miscellaneous Revenue, separately. See footnote as to increases which should be considered with the fact that various obligations against General Revenue paid in this current year were incurred in the prior year of the Biennium.

Exhibit C shows comparison of receipts and disbursements for General Revenue and Miscellaneous Revenue classified separately with percentage of totals.

Schedules 1 to 5, inclusive, show details of receipts by source and Schedules 6 to 16 show details of disbursements by purpose for all funds as classified and grouped in Exhibit C.

Abstract of Accounts shows balances, receipts and disbursements for each fund in totals, also amount of warrants paid and reconciled with balances shown by the Treasurer's Office.

Other statements and tables following in the report are supplementary and for informational purposes.

Respectfully submitted,

C. F. GREENE,
